

“Stewards for parks, visitors and each other”

July 2010

Dear prospective or current ANPR member,

The Association of National Park Rangers is pleased to offer the Aetna Affordable Health Choices insurance plan to its members. On our website please download the packet of information, which includes the necessary forms to enroll. If you have specific questions about the *coverage*, please contact SRC/Aetna directly at 1-888-772-9682.

Please note that you must be an ANPR member to purchase the insurance. You can use the online membership application at <http://www.anpr.org/anprmeminfo.htm> and pay by credit card, or you can print the form and mail it to the ANPR business office with your check or credit card instructions.

Your completed insurance **Enrollment Form** must be returned to me by the end of any month and include payment for a six-month period. The current monthly rate is \$93.82 for the **medical insurance**.

In addition, ANPR assesses a \$12 fee per six-month period to cover our administrative costs of this program. For individuals, **your check should total \$574.92** (\$562.92 + \$12).

Please make your check **payable to ANPR**.

You also are eligible to enroll for **dental insurance** at a cost of \$19.28 *per month*; \$20,000 in **term life insurance** for \$6.68 *per month*; **vision** for \$4.36 *per month*; **hospital indemnity** for \$14.96 *per month*; and **short-term disability** for \$15.20 *per month*. You can read more about them when our new brochure is posted soon. These are **optional** plans; you need not choose them along with the medical plan. If you do select them, however, please add the appropriate **six-month rate** to the above-mentioned total payment.

Thank you again for your interest in the Association of National Park Rangers – the association for *all* national park employees, volunteers and associates.

Sincerely,

Teresa Ford
