

“Stewards for parks, visitors and each other”

May 7, 2012

Dear prospective or current ANPR member,

The Association of National Park Rangers is pleased to offer the Aetna Voluntary Plans insurance plan FOR ONE MORE MONTH to its members before we transition to a new company. On our website please download the packet of information, which includes the necessary forms to enroll. If you have specific questions about the *coverage*, please contact SRC/Aetna directly at 1-888-772-9682.

Please note that you must be an ANPR member to purchase the insurance. You can use the online membership application at <http://www.anpr.org/anprmeminfo.htm> and pay by credit card, or you can print the form and mail it to the ANPR business office with your check or credit card instructions.

Your completed insurance **Enrollment Form** (page 31 of the enrollment packet) must be returned to me by May 31 and include payment *for just one month**. The monthly rate is **\$104.44 for individuals (\$260.92 for yourself + one)**. Rates for other options (dental, hospital, vision, life) are listed on the enrollment form.

In addition, ANPR assesses a \$5 fee per enrollment period to cover our administrative costs of this program.

** We will transition to a new insurance carrier and a new month-to-month payment system using automatic checking account withdrawals effective July 1, 2012. Details about sign-up will be available soon.*

For individuals, **if you wish to begin coverage June 1** (through June 30, 2012), your check should **total \$109.44 (\$104.44 + \$5 admin fee)**. **It is to your advantage to get the Aetna coverage for even one month because the new company has guaranteed that everyone enrolled on the Aetna plan will have the pre-existing condition limitations waived when joining the new plan, no matter how long you were enrolled. Generally there is a 365-day wait period.**

Please make your check **payable to ANPR and mail to the address below**.

You also are eligible to enroll for **dental insurance** at a cost of \$19.28 *per month*; \$20,000 in **term life insurance** for \$6.68 *per month*; **vision** for \$4.36 *per month*; and **hospital indemnity** for \$14.96 *per month*. Rates for self + 1 and family are on the enrollment form, page 31 of the downloadable Aetna packet. These are **optional** plans; you need not choose them along with the medical plan. If you do select them, however, please add the appropriate **monthly rate** to the above-mentioned total payment.

Thank you again for your interest in the Association of National Park Rangers – the association for *all* national park employees, volunteers and associates.

Sincerely,

Teresa Ford
