

## **ANPR Business Meeting**

Sun, Oct 26, 8am

Erika thanked everyone for coming to Rendezvous and special thank you to Alison for coordinating.

### **World Ranger Congress**

ANPR submitted proposal to the NPS Director in January, asking for official partnership, assistance for international delegates, financial assistance, formal agreement between NPS and ANPR. Director accepted proposal, and we're working on developing a formal MOU allowing for future partnerships.

Bob Krumenaker, Joe Evans, and Lisa Eckert met with folks at Colorado State University (CSU) Center for Protected Area Management and Training about partnering with us for WRC. Jim Barberack and Jim Wertz interested in getting involved with us in helping with fund raising for North American delegates. Delegates could be based at CSU. This is a great recruiting opportunity. Kudos to Lisa, Yvette, and Joe for nurturing relationship.

Erika addressed question about whether we are having a Ranger Rendezvous in 2016. We will have a Rendezvous. WRC doesn't take place of Rendezvous. Limited number of delegates will be able to attend WRC. Location for 2016 Rendezvous still to be determined.

### **Oral History Project**

Collection for Rick Gale Fund taken at yesterday's business meeting – \$400 was collected, and will be used for transcribing interviews. Thank you for your generosity!
